

How do turtles and tortoises display Creation?

What's the difference between turtles and tortoises?

Did sea turtles and tortoises diverge from a common ancestor or were they created for their environments?

How do these amazing “dinosaur relics” accurately navigate great distances and live to great long life spans?

Learn about Hawaiian green sea turtles and desert tortoises and interact with two tortoises, take photos and selfies with your family and real desert tortoises!

Bring the family, get the facts from experts!

Sea Turtles and Desert Tortoises

Thursday April 21, 7:00 - 8:30 PM

The Journey – First Evangelical Free Church
4700 N Swan Rd, Tucson (E. side of Swan, between River & Sunrise)

Presenter: Terri L Clarke, JD, BS (ASU) has owned and cared for Desert Tortoises in AZ for years; has spent many years observing, swimming, and diving with Hawaiian Green Sea Turtles in Maui and Hawaii.

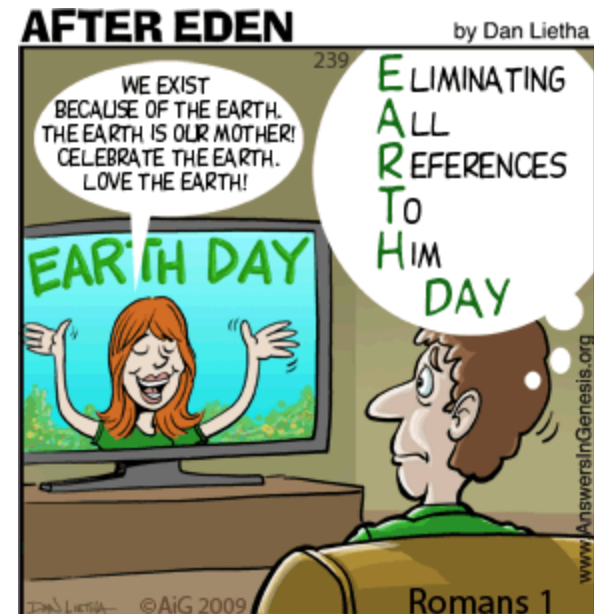

Watch the website for exciting events every month!
